

Certificate of Compliance

Date: _____ Project: _____
General Contractor: _____ City, State: _____
Masonry Contractor: _____ Architect: _____

This letter certifies the following product will be provided for the above named project.

CavClear® Masonry Mat, a fluid-conducting nonabsorbent, mold and mildew resistant polymer mesh consisting of 100% fibers, manufactured by CavClear/Archovations, Inc. telephone 715.381.5773. CavClear® Masonry Mat maintains an air space behind brick when installed substantially continuous (full-height) behind all masonry by preventing mortar from making contact with the backup.

It is understood that the above described material is subject to such modification of dimensions and assembly details as may be necessary for proper coordination with other installations and structural elements.

- Thickness(es) to be provided
[] 3/8" CavClear® Masonry Mat
[] 1/2" CavClear® Masonry Mat
[] 3/4" CavClear® Masonry Mat
[] 1" CavClear® Masonry Mat
[] 1 1/4" CavClear® Masonry Mat
[] 1 3/4" CavClear® Masonry Mat

Dimension(s) to be provided [] 16" x 96"
